I. Please answer the following questions (use a separate sheet of paper if needed, but please limit your answers to a total of two typed pages):

1. How did you learn about this year-long program?

2. Why do you want to participate in this program? (How does it align with your life goals? How do you see it furthering your educational and professional development?)

3. What do you already know about the Goethean approach to science?

II. Please submit a curriculum vitae or a concise description of your educational and professional experiences.

TUITION

Tuition is \$3,000. We have kept the fee as low as possible. If you are seriously interested in this program, but your financial situation would prohibit your attending, please apply and submit a financial assistance form. Some scholarship funds are available.

If you are able, we ask that participants pay the full amount before the the course begins. If not, we can also arrange a payment plan over the course of the year.

HOUSING & TRANSPORTATION

Course participants will be responsible for their housing and transportation costs. If you are coming from out of town for the residential intensives we can help you find housing (with local families who rent rooms) and transportation. Please provide the following information:

- I wish to stay in a private home.
- I have my own housing.
- I would like more information emailed to me about local motels and bed& breakfasts.
- I will have my own transportation
- I need help finding transportation

MEALS

We provide morning and afternoon snacks. Course participants will be responsible for all other meals. The Hawthorne Valley Farm Store has extensive organic food and deli selections and is within walking distance of The Nature Institute.
