*This year's summer course:*

**Let the Phenomena Speak!**  
**Deepening Our Relationship to Life on Earth**

June 24 – 28, 2018

A sustainability education intensive with Craig Holdrege and Henrike Holdrege

For more information and to register, visit our website

*The knowledge [we] seek is not meant for controlling the world,  
but, rather, for unlocking it and letting a mute world become one  
that speaks to us in a thousand places. – Erwin Straus*
